

WHY SCRANTON?

A University of Scranton MSSE

CONVENIENT PROGRAMMING.

Just a few minutes from the University of Scranton's main campus, the MSSE program is conveniently located in the heart of downtown Scranton. The program is housed in the modern, multi-story building that houses the University's business school. The MSSE program is a fully accredited, graduate-level program that provides students with the opportunity to earn their Master of Science in Software Engineering (MSSE) degree in a convenient, flexible format. The program is designed to provide students with the knowledge and skills necessary to succeed in the software engineering industry.

AT A GLANCE
